

IMPORTANT INFORMATION FOR PARENTS AND CAREGIVERS:

Supervision of Children: Please supervise your child at all time. For the safety and comfort of children, if you need to leave the room during class time for any reason, be sure to take your child with you.

Makeup Policy: We recommend you schedule makeups early in the semester as classes are limited to create a safe, consistent community for children and adults to explore and experiment with music - waiting till the end of the semester may result in not being able to schedule your makeup. Makeups need to be scheduled within semester enrolled - no rollovers. Makeups are the responsibility of parents. Refunds/credits will not be given for missed classes.

Go to www.musictogetherCTclass.com and under the Enrolled Families Bar click Makeup Scheduler - Enter access code salsa (lower case letters)

Refund Policy: No Refunds/Credits will be given after the semester has started.

Inclement Weather: If class is cancelled due to inclement weather we will hold a zoom class. You may also schedule a makeup at your convenience. Do not wait until the end of the session to schedule your makeups - we do not give refunds for missed classes due to illness or weather. For inclement weather you WILL NOT receive a text. We will send an email out no later than 8 am. It will be posted on our FB and Instagram page. Our voice mail will reflect a message at 203-521-3013 by 8 am. For afternoon classes a decision will be made by 1 pm. There will be no refunds for classes missed due to inclement weather.

Holidays: If you have an older sibling that needs to attend due to a holiday school closing, please notify your teacher/office. Siblings may attend two times within the semester free of charge, **space pending**.

Illness: Please be considerate and refrain from attending class if: you have been diagnosed with coronavirus, if you or your child(ren) have been in close proximity to someone who has recently had the coronavirus, if you or your children are feeling sick, vomiting, have a fever, cough, or are experiencing general difficulty breathing, if you or your child is coughing excessively, has thick green or yellow runny nose or has had a fever within 24 hrs, if you have an ill sibling or family member that may transfer illness amongst your family. You may be asked to leave if you or your child are excessively coughing or excessive runny, gopy nose.

Food / Drink: Please refrain from bringing food and drink in our classrooms. Some children have allergies. If your child is in need of a "thirst quencher", take a break outside of classroom as sippy cups can be a distraction. Nursing and bottle feeding are welcome.

Allergies / Special Needs: Please let us know if there is anything you feel we should know about your child so you both may have the best experience possible.

Guests: Guests - Adult family members are welcome and are limited to 2, contact Julie first as some classes are more full than others. Please know that they also must be in agreement with the guidelines as you registered. Inform your guest of our participatory experience and the emphasis is on adults modeling music. Ask them to refrain from talking throughout the class but rather model and participate. Older siblings - should it be necessary for you to bring an older child for a one time visit to class please contact Julie. If you wish to bring a guest with a child, please have them visit the Drop in/ Visit link provided here <https://musictogetherctclass.com/dropins.aspx>.

Camera / Phone / Technology Watches: As our program emphasizes adult /child interaction, your child expects and deserves your full undivided attention in class. At this time, we prefer to keep our classrooms a No Camera Zone, however we do not mind the occasional pic. Please do not use your technology in the classroom to text, speak or check watches. It can be very distracting.
